**Counseling Family  
TLC**

Title	Family TLC
Category	Counseling
Subject	Parenting
Author	FirstTeacherTLC.com
URL	<a href="http://www.familytlc.net/">http://www.familytlc.net/</a>
Audience	Adults with children
Date reviewed	10-16-04
Type of material	Internet
Short Summary: A neat site that has tools to enhance the parent/child relationship. The information is easily retrieved, allowing one to enter a child's age to access family activities - games, sports, crafts, music, cooking, nature and more. There are also parenting tips, articles on child development and hundreds of new age-appropriate child activities each month. There are quality ideas and activities to help families plan their time together and links to appropriate resources.	
Where/How could this resource be used? For adult students with families.

Short Summary: There are 4 self-scoring pre-tests for math skills in specific areas of study. Additionally, there are non-interactive tutorials for math from fractions through algebra. There is one interactive tutorial on fractions supplementing the tutorial with practice exercises. Funded with a federal grant. Reading math is a skill many people have not developed; this may be difficult without that skill.	
Where/How could this resource be used? GED prep, college prep.

Title	Webmath
Category	Math
Subject	Practice for all math
Author	Webmath.com
URL	<a href="http://www.webmath.com/index.html">http://www.webmath.com/index.html</a>
Audience	Grades 4 - Adult
Date reviewed	3-7-05
Type of material	Interactive math solutions
Short Summary: This site is composed of many math "fill-in-forms" into which you can type the math problem you're working on. Linked to these forms is a set of math-solvers, that can instantly analyze your problem, and when possible, provide you with a step-by-step solution instantly. There is a bulletin board if you want to ask problems. A small portions of the site will only give answers if you are a paying, registered customer. A teacher can also auto assign lessons for a class for free.	
Where/How could this resource be used? GED prep, college prep, just for fun
