

MAACE PROFESSIONAL DEVELOPMENT MINI-GRANT OFFERING...

Bozemon Adult Basic Education is pleased to offer a one day seminar entitled, "Connecting and Recharging - Strategies for ABLE Educators."

In this three-pronged, one day professional development workshop, participants will have the opportunity to share best practices, experience mind and body rejuvenation activities, and gain strategies for teaching in the math content area.

WHEN AND WHERE....

"Connecting and Recharging — Strategies for ABLE Educators" is scheduled for:

Thursday, March 6, 2003 in the Board Room, Rm. 122, Wilson School Building, 404 W. Main Street, Bozeman.

The Board Room is easily accessible from on-street parking and has convenient first floor handicapped access and restroom facilities. Lunch will be provided.

WORKSHOP OUTLINE...

I. OBJECTIVES:

- A. To network and share best practices in ABE, GED, ESL, and Literacy instruction, through roundtable discussions.
 - a. Learn new strategies for instruction
 - b. Identify specific problem areas in instruction and possible solutions
 - c. Compile best practices
 - d. Connect with other ABE professionals
- B. To enhance physical and mental well-being for adult educators
 - a. Rejuvenation when the 'well is dry' both physically and emotionally
 - b. Stress relievers and relaxation skills
 - c. Healthy living
- C. To learn and improve understanding of common concerns in math instruction
 - a. Help students acquire study skills
 - b. Help students enhance test taking
 - c. Help students cope with, and overcome math anxiety

THE WORKSHOP WILL BENEFIT PARTICIPANTS IN THREE WAYS...

1. ABE educators along with agency representatives will collaborate, communicate, and share best practices in a roundtable format. These best practices will then be compiled and sent back to the ABE centers as a resource for other teachers.
2. The wellness activity will help participants rejuvenate and refocus, with strategies for dealing with stress and maintaining a healthy lifestyle.
3. Finally, participants will learn new teaching strategies in the math content area, to better serve their adult learners.
