

Isn't it Time

to get a better job...

to go to college...

to get your GED...

to follow your dreams!

Missoula County Public Schools' Adult Basic Education (ABE)
has **free online** classes available for you.

Did you know that:

- GED graduates earn over \$8,000 more per year than those without a high school diploma or GED?
- Those who attend college earn \$4,000-\$15,000 more per year and almost 1/3 of college freshmen have to take a remedial writing or math class.
- Many jobs, apprenticeships & training programs require specific abilities in math & writing.

Classes available include:

College Prep Algebra

Writing for Business and College

GED Preparation

Reading, Writing and Math for work
