

# Faces of Data Quality 2011

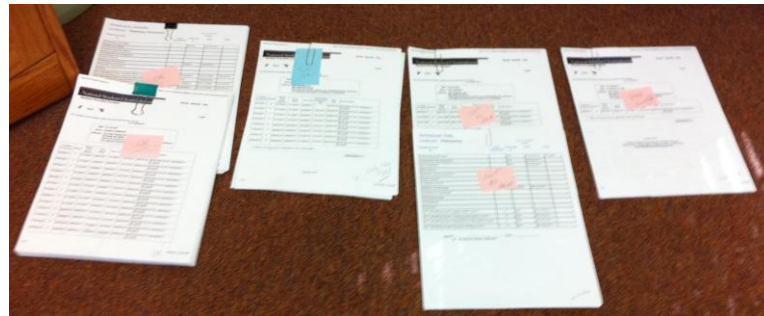

On the road again ... *still!*

Hmmm ... *still* on the road!

Hmmm ... this is *still* serious business!

Whew! *Still* time to clean up the data!

***Still* time for Standards in Action (SIA)**

**SIA 2 (Swine in Action) ... *still* rolling!**

***Still counting on fingers ... one student, two students ... and then there was light!***

***Still smiling!!!***
